## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 21-24, 27, 28 and 30-37 are allowed. The following is an examiner's statement of reasons for allowance:

The Examiner considers Patent Number US 6,656,034 B2 by Rasmussen et al ("Rasmussen") to be the prior art most closely related to the Applicant's claimed invention. Rasmussen fails to disclose or suggest the coin elevator unit 16 as being in contact with a carrying handle when positioned in a non-operating mode as claimed in the Applicant's independent claims 21, 24 and 34.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark J. Beauchaine whose telephone number is

Application/Control Number:
